

Operating Instructions for Wittco 2-Door Electric Warming Cabinet

Dimensions 58"W x 27"D x 73"H

- Use 110 volts only
- To maintain humidity, fill a shallow pan with water and place in the bottom of the cabinet
- All equipment is tested before delivery but should be rechecked at least 6 hours prior to use in case of malfunction
- Equipment must be kept dry and away from moisture
- When using multiple pieces of electrical equipment, do not overload the circuit, this may cause the equipment to fail
